

Saholy RAKOTOMANGA, PhD, PharmD

Pharmaceutical & Regulatory Affairs Director, MediBridge SA:

1995 to Present

Education

PhD Pharmaceutical Sciences: University of Paris XI School of Pharmacy	1989
DESS (Postgraduate Specialist Certificate): University of Paris V, School of Pharmacy	1985
PharmD: University of Paris V, School of Pharmacy	1985
Specialization in Analysis of Medicinal Products, Analytical Chemistry	

Specialities

Consultancy in all aspects of European drug registration; Pharmaceutical development planning and management; Constitution of registration dossiers; Writing of pharmaceutical expert reports.

Previous work experience

- ◆ **Pharmaceutical Project Manager, Negma Laboratories** **1992-95**
Coordination of activities between Pharmaceutical Development and Analytical Development Units and Regulatory Affairs Department; Responsible for pharmaceutical dossiers.
 - ◆ **Lecturer, School of Pharmacy (Chatenay-Malabry) of Paris XI University** **1989-92**
Analytical chemistry and drug registration courses; Supervision of postgraduate students.
 - ◆ **Pharmaceutical Consultant, Bourgeois Laboratories** **1988-92**
Consultancy in all aspects of drug registration
-
